

SAVE MONEY ON YOUR EVERYDAY BUSINESS SPEND

SAVINGS FROM DAY ONE

Coupa Advantage is included with your Coupa subscription and is designed to help companies of all sizes and industries drive value. It offers pre-negotiated discounts from trusted supplies in categories, such as office supplies, promotional products, background checks, rental cars, lab supplies, MRO, staffing, and more. The program leverages the collective buying power of hundreds of global Coupa customers to deliver substantial savings for all customers. Partner with Coupa Advantage and you can start saving before your company is live on the Coupa platform. The advantage team handles everything from analysis, to introduction to implementation. Contact us at www.coupa.com/community/coupa-advantage/

ABOUT COUPA

Coupa's business spend management platform provides a unique model that allows companies to start with any application and easily extend to cover all areas of business spending (including e-invoicing, procurement, sourcing, expenses and inventory) without having to integrate applications to one another. Coupa works with any ERP system such as SAP, Oracle, NetSuite, Workday or Great Plains to provide businesses with measurable results.
